

HOME GROUPS

Our Home Groups are a wonderful way to get connected with the Grace family. Our groups seek to engage people in three primary ways: Investing in each other's lives, interacting with God's word, and praying with and for each other. You can expect to be welcomed and loved, and have a wonderful time. We pray that you will join us and see for yourself the blessings of a Home Group!

Are children welcome?

Absolutely yes. However, groups will vary as to the ages and backgrounds of those who attend. See the specific home group information to see what groups have childcare already available.
